### TOXIC TOUCH

Instead of Clayface's attack phase, choose an adjacent enemy without the Inorganic keyword and roll a d20. On an 8-18, that enemy takes 1 Toxic wound. On a 19+, that enemy takes 2 Toxic wounds. If Clayface inflicts 1+ wounds with Toxic Touch, he may heal 1 wound.

### UNSTABLE BODY

During cleanup, if Clayface has activated this round and has 1+ wounds, he takes 1 wound.
