

GIGANTO

SUBTERRANEA

UNIQUE HERO  
DEVIANT  
CREATURE  
LOYAL  
HUGE 22

### IN SERVICE OF THE MASTER

After an allied Unique Human Ruler's ordered activation, you may activate Giganto and you may not activate additional figures this turn.

### GIGANTIC AMBUSH

Once per game, instead of Giganto's move phase, choose any land spaces she could occupy that are within 6 spaces of an allied Human Ruler. If there are figures on the chosen spaces, place each figure up to 2 spaces away. Place Giganto on the chosen spaces and roll 2 damage dice against each adjacent enemy.

### GIGANTIC SMASH

Giganto has +2 Range when attacking a figure whose base is no more than 10 levels higher than her height or 10 levels lower than her base. Giganto may attack non-adjacent figures while she is engaged, unless she is adjacent to a Huge enemy.
