THE TOP TEEN

Instead of an ordered activation with a Rookie or Sidekick Unique Hero, you may activate Li'l Lobo. If you do, that Hero cannot be activated for the rest of the round.

BASTICH BASH

After Li'l Lobo's attack phase, he may place an adjacent figure 1 space away from its initial placement on a space where it is not adjacent to him. After placing the chosen figure, if Li'l Lobo has 1+ wounds, roll a d20. On an 11+ the chosen figure receives a wound.
