BAMF!

Instead of Nightcrawler's move action, you may BAMF!. When you BAMF!, you may choose an adjacent Small or Medium figure. If it is an enemy, it cannot be chosen more than once per activation. To BAMF!, place Nightcrawler within 3 spaces, then you may place the chosen figure adjacent to Nightcrawler. BAMF! placement is unstoppable.

EN GARDE

Instead of Nightcrawler's move through attack phases, he may BAMF! up to 3 times and make up to 2 normal attacks, in any order. Defenders have -1 Defense if attacked immediately after Nightcrawler uses BAMF!

BAMF! PROTECTION

When defending, each blank counts as 2 blocks. After combat where Nightcrawler or an adjacent ally defends against an enemy attack, you may use BAMF!
