During setup, place 4 single-space water tiles on this card. During transition, you may place a water tile from this card onto a land space on or within 4 spaces of Tempest, and you may roll 1 damage die against any figures on or within 1 space of that water tile.

### WATER STRENGTH 2

Tempest has +2 Attack and Defense while on aquatic terrain.

### MAGICAL DEFENSE 2

When an enemy without Magical Affinity attacks Tempest, he ignores all but 2 wounds from that attack.
