

**ELONGATED MAN**  
RANDOLPH DIBNY

METAHUMAN

UNIQUE HERO

INVESTIGATOR

DEDICATED

MEDIUM 6

**SUPER SLEUTH**  
After placing Order Markers and before rolling for initiative, you may reveal an "X" Order Marker on this card to choose an unrevealed Order Marker on an opponent's card and view it. If it is an "X" Order Marker, you may immediately view all Order Markers on that opponent's cards and when rolling for initiative this round, add 10 to your roll. If it is a numbered Order Marker, add that Order Marker's number to your initiative roll.

**RIDICULOUS REACH**  
Whenever an unengaged enemy figure within 2 spaces of Elongated Man moves away from him or targets a figure other than him, you may roll an unblockable attack die against that figure. If you roll a skull, that figure cannot move away from Elongated Man and can only attack him this turn.

**KINETIC STRETCH**  
Instead of his normal move, Elongated Man may move up to 4 spaces with Kinetic Stretch. When moving with Kinetic Stretch, Elongated Man has the Flying special power, but will not take any leaving engagement attacks. If Elongated Man moved at least 3 spaces with Kinetic Stretch, he may roll one additional die when attacking this turn.
