HULKLING
DORREK VIII

SKRULL DNA

Hulkling has the species of Skrull in addition to the species listed on this card. Hulkling is never attacked when leaving engagements. While Hulkling is adjacent to an opponent's medium or large figure, opponents' figures must be adjacent to Hulkling to attack him.

Before attacking, you may choose one of the following:

- remove 1 Wound Marker from this card;
- roll an additional attack die, or place a Wound Marker on this card to roll 2 additional dice;
- attack normally up to 2 times this turn; or
- choose a figure within 4 clear sight spaces of Hulkling. Place the chosen figure on any empty space within 2 spaces of Hulkling, ignoring any leaving engagement attacks.

Each option may only be chosen once per round.
