INCITE RIOT
After revealing an Order Marker on this card and instead of taking a turn with Anarky, you may move each Common Citizen you control as long as that Citizen ends its move adjacent to an opponent's figure. You may then attack with every engaged Common Citizen you control. You may only use this power once per game.

GRAPPLING HOOK 30
Instead of his normal move, Anarky may move 1 space with Grappling Hook. This space may be up to 30 levels higher or lower.

ELECTRIC STUN BATON
If Anarky inflicts one or more wounds on an adjacent Unique Hero with his normal attack, you may roll the 20-sided die, adding 2 to the roll for each wound inflicted this turn. If you roll 16 or higher, you may remove one unrevealed Order Marker at random from the defending figure's Army Card.
