

MARVEL

GROOT

RAGTAG TAG-ALONG

After revealing an Order Marker on the card of a Unique Hero you control and taking a turn with that Hero, if Groot is within 6 clear sight spaces of that Hero and neither Groot nor that Hero share a species or class with any other figures in your army, you may take an immediate turn with Groot. During this turn, Groot can only attack figures engaged with another figure you control. You may not take any additional turns with any other figures you control.

HITCHING A RIDE

Before a friendly figure that is adjacent to Groot and is not tiny is moved on your turn, you may choose that figure for Groot's Hitching A Ride special power. After the chosen figure is moved, you may place Groot on any unoccupied space adjacent to the chosen figure.

TOO ADORABLE TO KILL

An opponent's figure cannot target Groot for an attack or choose him for a special power if it could instead target another figure you control, and may not roll for leaving engagement attacks against Groot. Cruel, Nihilist, and Sadistic figures are not affected by this special power.
