BARAKA

WAR BANNER

Before taking a turn with Baraka, you may reveal an "X" Order Marker on this card. After taking a turn with Baraka, if there is a revealed "X" Order Marker on this card, a friendly Unique Hero within clear sight of Baraka that shares his class or personality may immediately take a turn. If they do, no other figure may take a turn unless they are a Conqueror.

SPECIAL ATTACK

Range 1. Attack 3.

When Baraka attacks with this special attack, for each skull rolled, the defending figure subtracts 1 die from its defense. If Baraka inflicts a wound with this special attack, he may attack again with this special attack or with his normal attack, to a maximum of 3 attacks per turn.

SAVAGE FEAST

When a figure adjacent to Baraka is destroyed, remove a Wound Marker from this card.
