

BIBBO BIBOWSKI

SUPERMAN'S BIGGEST FAN

If a figure named Superman was in your army at the start of the game, after revealing a numbered Order Marker on this card and before taking a turn with Bibbo Bibowski, if all figures named Superman in your army are destroyed or are no longer in your army, you may immediately take a turn with another Unique Hero you control within 6 clear sight spaces of Bibbo. You may not take any additional turns.
