

BIG BARDA

BARDA FREE

APOKOLIPTIAN GRAPPLING

Before attacking, you may switch Big Barda and any small or medium figure she is engaged with. Switched figures never take leaving engagement attacks. If the switched figure does not have the Super Strength special power, after switching it, you may roll an unblockable attack die against that figure.

MEGA-ROD SPECIAL ATTACK

Range 4. Attack 2 + Special. When attacking with this special attack, each skull rolled counts as one additional hit. When attacking an adjacent figure, if that figure was engaged with another figure you control at the start of the turn and was not engaged with Big Barda, roll 2 additional dice.

BONDS OF MARRIAGE

After revealing an Order Marker on this card and taking a turn with Big Barda, you may immediately take a turn with a Scott Free figure you control that has this special power, and you may not take any additional turns with other figures you control. During this turn, that Scott Free figure can attack only while adjacent to Big Barda.
