LIGHTNING CHAIN
When Black Lightning, a figure you control adjacent to Black Lightning, or an Interloper you control within 3 clear sight spaces of Black Lightning defends against a normal attack, you may add 1 die to your roll. If the attacking figure is adjacent to a figure you control with the Electrically Charged special power, all excess shields count as unblockable hits on the attacking figure.

LIGHTNING LASH SPECIAL ATTACK
Range 5. Attack 5 + Special.
After attacking with this special attack, Black Lightning may attack one additional time for each Wound Marker that was on this Army Card at the start of his turn, rolling 1 fewer attack die for each subsequent attack. Any affected figure that occupies a water space rolls 1 fewer defense die. Figures with the Electrically Charged special power are not affected by this special attack.

ELECTRICALLY CHARGED
Black Lightning rolls 1 fewer defense die when he is on a water space.
