

BLACKSMITH
AMUNET BLACK

ROGUE ROSTER UPGRADES

After revealing an Order Marker on this card and before taking a turn with Blacksmith, you may take a turn with one other Rogue Hero you control. During this turn, if that Rogue attacks with a normal or special attack, before defense dice are rolled, you may choose to reroll all dice for that attack once. After taking a turn with Blacksmith, you may not take any additional turns with other figures you control.
