

MARVEL

BLADE
ERIC BROOKS

PHANTOM WALK

Blade can move through all figures and is never attacked when leaving an engagement.

SLAYER'S ARSENAL

When Blade attacks, he may attack one additional time. Enemy figures attacked by Blade cannot use any special power on their Army Cards to ignore or remove wounds for the remainder of this player turn.

STAKE EXECUTION

Once per player turn, if an enemy figure within 5 clear sight spaces of Blade is attacked and is not destroyed, you may move Blade up to 5 spaces as long as he ends this movement adjacent to that figure and roll an unblockable attack die against it, or 2 unblockable attack dice if that enemy figure is a Lycanthrope or Undead.
