

BRAINIAC

VRIL DOX

MIND MELT SPECIAL ATTACK

Range 3. Attack 7 + Special.
You may target up to 3 additional figures with this special attack. Roll 1 fewer attack die for each additional targeted figure. If a figure receives 3 or more wounds from this attack, you may remove a marker from its card. Figures with the Mental Shield special power and destructible objects are not affected by this special attack.

ULTRA-FORCE SHIELD 7

If a figure targets Brainiac for an attack, the player controlling that figure must roll the 20-sided die. If they roll 7 or lower, the figure's turn immediately ends and, if that figure is engaged with Brainiac, it receives one wound.

12TH LEVEL INTELLECT

After any attack dice, defense dice, or the 20-sided die is rolled for Brainiac or any figure within clear sight of Brainiac, you may immediately remove an "X" Order Marker from this card and add or subtract a skull, shield, blank, or 1 from that roll.
