

## CAPTAIN BOOMERANG

OWEN MERCER

### ACID BOOMERANG SPECIAL ATTACK

Range 4. Attack 3.  
After attacking with this special attack, roll one unblockable attack die against each figure adjacent to the defending figure.

### SPEED BURST

Before using his Returning Boomerang special power, Captain Boomerang may immediately move up to 4 spaces. When moving with Speed Burst, Captain Boomerang will not take any leaving engagement attacks.

### RETURNING BOOMERANG

If Captain Boomerang does not inflict one or more wounds when attacking an opponent's non-adjacent figure with his normal attack, he may attack that figure one additional time with his normal attack, even if he is engaged during the additional attack.
