

CLAYFACE

PRESTON PAYNE

TOXIC TOUCH

Instead of attacking, you may choose an opponent's adjacent figure that is not an Android or a Construct and roll the 20-sided die. If you roll 8-18, the chosen figure receives one wound. If you roll 19 or higher, the chosen figure receives two wounds. If Clayface inflicts one or more wounds with Toxic Touch, you may remove one Wound Marker from this card.

UNSTABLE BODY

At the end of each round that Clayface has taken one or more turns, if there is at least one Wound Marker on this card, place an additional Wound Marker on this card.
