

CLAYFACE

BASIL KARLO

GETTING INTO CHARACTER

If Clayface destroys an opponent's figure with a normal attack, you may place that figure on this card. While a figure is on this card, Clayface has the Class of Charlatan instead of what is listed on this card. If Clayface is a Charlatan and not the only figure you control, all other figures controlled by that opponent are considered friendly to Clayface and may not attack him. Remove the figure from this card if any of that opponent's figures receive any wounds during Clayface's turn.
