

DETECTIVE BULLOCK

HARVEY BULLOCK

ENFORCING THE LAW

If an enemy figure within 10 clear sight spaces of Detective Bullock is engaged with at least one other Lawman figure you control that does not have the Corrupt personality, that enemy figure has the Class of Criminal in addition to what is listed on its card.

OUT OF SHAPE

If Detective Bullock moves at least 5 spaces on his turn, subtract one from his Attack number for the rest of that turn.

LOOSE CANNON

After taking a turn with Detective Bullock, if there is at least one Criminal figure within 5 clear sight spaces of Detective Bullock, you must, if possible, remove an unrevealed Order Marker from any Army Card you control to take one additional turn with Detective Bullock.
