

DOCTOR PSYCHO

EDGAR CIZKO

AMAZON ANTAGONISM
At the start of the game, if there is another Antagonist in your army or an Amazon in any player's army, Doctor Psycho has the class of Antagonist in addition to what is listed on this card. Doctor Psycho cannot leave engagement with an Amazon and when he attacks an Amazon, add 1 to his Attack number.

NIGHTMARE PROJECTION
Enemy figures within 3 clear sight spaces of Doctor Psycho that do not have the Mental Shield special power do not have clear sight on any figures friendly to them, cannot roll for leaving engagement attacks against Doctor Psycho, and roll 1 fewer defense die for each revealed Order Marker on this card when attacked by Doctor Psycho.

REACTIVE MIND CONTROL 10
If Doctor Psycho is targeted and attacked by an opponent's figure that does not have the Mental Shield special power, roll the 20-sided die. If you roll 10 or higher, Doctor Psycho takes no damage and the opponent's turn immediately ends. Take temporary control of the attacking figure. Move the attacking figure up to 4 spaces then return control of the figure to the player who controlled it before the Reactive Mind Control. Figures moved with this special power will not take any leaving engagement attacks.
