DOVE AND HAWK

If you control a figure named Hawk, Dove has that figure's class in addition to what is listed on this card. After revealing an Order Marker on this card and taking a turn with Dove, if she did not attack, you may immediately take a turn with a figure you control with the Hawk and Dove special power, during which that figure cannot move.

AVATAR OF ORDER

After moving Dove you may switch her with an adjacent figure. After switching figures you may choose a figure adjacent to Dove and roll an unblockable attack die against that figure. Switched figures will not take leaving engagement attacks.

DEFENSIVE PREMONITION 11

Before rolling defense dice for Dove, roll the 20-sided die. If you roll 11 or higher, roll 3 additional defense dice and if the attacking figure is within 3 clear sight spaces of Dove, count each excess shield as one unblockable hit on the attacking figure.
