

DC
D'VORAH

BROOD MOTHER

Start the game with any number of Common Insects in your army on this card instead of the battlefield and, when a Common Insect in your army would be destroyed, you may instead place it on this card. After revealing an Order Marker on this card and before taking a turn with D'Vorah, you may place up to 2 Common Insects from this card on empty spaces adjacent to her, then you may take a turn with up to 2 Common Insects you control.

Range 2. Attack 1 or 2.
Start the attack with 4 attack dice. You may attack with 1 or 2 attack dice until all 4 attack dice have been rolled. If a skull is rolled on every die, each skull rolled counts for one additional hit.

INFESTATION

After D'Vorah inflicts one or more wounds on a Unique or Event Hero, you may place a Common Insect from this card onto that Hero's card. For the remainder of the game, at the end of the round, roll one unblockable attack die against each other figure for each Common Insect on its card placed by D'Vorah. If you do not roll a skull, destroy that Common Insect.
