

MARVEL

ELEKTRA

ELEKTRA NATCHIOS

PHANTOM WALK

Elektra can move through all figures and is never attacked when leaving an engagement.

DEADLY BARRAGE SPECIAL ATTACK

Range 1. Attack 1.

Instead of moving and attacking normally with Elektra, you may move Elektra up to 5 spaces. Elektra can attack up to 5 times with Deadly Barrage Special Attack at any point before, during, or after this move as long as Elektra is on a space where she could end her movement. Elektra cannot attack the same figure more than once in a single turn. Figures may not roll defense dice against Deadly Barrage Special Attack.

ASSASSIN'S MARK

When attacking a non-adjacent figure, Elektra rolls 1 fewer attack die. If Elektra attacks a non-adjacent figure without Super Strength and inflicts at least one wound, roll the 20-sided die. If you roll 17 or higher, destroy the defending figure.
