

MARVEL

**EMPEROR
DORREK VII**

SKRULL INVASION PLAN

After revealing an Order Marker on this card, instead of taking a turn with Emperor Dorrek VII, you may instead do up to two of the following:

- take a turn with one other Unique Skrull Hero you control;
- take a turn with up to three Common Skrull figures you control; or
- choose a Skrull in your army that has the Secret Invasion special power and has not been placed on the battlefield. Negate that figure's Secret Invasion special power and place that figure on any empty space within 10 clear sight spaces of Dorrek VII. After placing a figure this way, you may roll an unblockable attack die against each figure engaged with it, one at a time. After using this special power, you may not take any additional turns with figures you control.

FORCE FIELD X

If Emperor Dorrek VII is attacked and at least one skull is rolled, you may reveal an "X" Order Marker on this card. If you do, Dorrek VII is not affected by that attack.
