EMPEROR'S STICK 12

Instead of attacking, you may choose up to two adjacent figures and roll the 20-sided die for each chosen figure. If you roll 12 or higher, the chosen figure receives a wound.

REACTIVE MIND CONTROL 14

If Empress is targeted and attacked by an opponent's figure that does not have the Mental Shield special power, roll the 20-sided die. If you roll 14 or higher, Empress takes no damage and the opponent's turn immediately ends. Take temporary control of the attacking figure. Move the attacking figure up to 4 spaces then return control of the figure to the player who controlled it before the Reactive Mind Control. Figures moved with this special power will not take any leaving engagement attacks.
