

ETRIGAN

HELLFIRE BURST SPECIAL ATTACK

Range Special. Attack 5.
Choose a space adjacent to Etrigan.
If there is a figure on that space, it is affected by this special attack. You may also choose up to two figures in clear sight of Etrigan that are within two spaces of the chosen space to be affected by this special attack. Roll 5 attack dice once for all affected figures. Each figure rolls defense dice separately.

LAVA RESISTANT

Etrigan never rolls for molten lava damage or lava field damage and does not have to stop in molten lava spaces.

LEAP 25

Instead of his normal move, Etrigan may move up to 3 spaces with Leap. When moving with Leap, Etrigan has the Flying special power, but may not move up or down more than 25 levels in a single leap.
