

**MARVEL**

**FANDRAL**

**SWORDPLAY**

If Fandral attacks an adjacent figure with his normal attack and at least one skull is rolled, he may attack an adjacent figure again. He may continue attacking adjacent figures, rolling 1 fewer attack die for each subsequent attack, until you fail to roll a skull.

**WARRIORS THREE**

After revealing an Order Marker on this card and instead of taking a turn with Fandral, you may either move up to 3 figures you control that have this special power, or you may attack with up to 3 figures you control that have this special power.
