

GOHAN

CHALLENGER SUPPORT

After revealing an Order Marker on the card of another Challenger you control and taking a turn, you may take a turn with Gohan, during which he must either not move or not attack. You may not take any additional turns.

UNRELENTING BARRAGE

Gohan does not take leaving engagement attacks. After moving Gohan normally, you may roll an unblockable attack die against an adjacent figure that he did not start his movement adjacent to.

MASENKO

If a friendly figure within 6 clear sight spaces of Gohan has one or more wounds, all skulls rolled count as one additional hit.
