

RODM!

GREEN RANGER
TOMMY OLIVER

DRAGON DAGGER

After attacking normally with Green Ranger, if you rolled a skull, you may roll one unblockable attack die against the defending figure.

DRAGON SHIELD

As long as there is a revealed Order Marker on this card, after defending with Green Ranger, if you rolled any excess shields, the attacking figure receives a wound.

COMBAT FLIP 12

After moving normally, attacking, or defending with Green Ranger, he may use Combat Flip. Combat Flip has a move of 2. When moving with Combat Flip, Green Ranger has the Flying special power, but may not move up or down more than 12 levels in a single flip. When using Combat Flip, Green Ranger will not take any leaving engagement attacks.
