

**GUARDIAN OF THE  
UNIVERSE**  
SCAR

**THE SCARRED GUARDIAN**  
Order Markers cannot be removed from this card. If you win initiative and there is at least one Order Marker on this card, you may choose an opponent. That opponent must choose one of their figures to receive one wound.

**BOOK OF THE BLACK**  
If there is at least one Order Marker on this card, you may add or subtract 2 whenever you roll the 20-sided die for another Undead card and all Black Lanterns you control add 1 die to their Attack.

**THE BLACK LANTERN CORPS**  
Instead of taking a turn with this Guardian of the Universe, you may choose a Unique Black Lantern you control within 4 clear sight spaces and place a black Battery Marker on its card, if possible. If an enemy figure that is not an Android, Construct, or Undead would be destroyed by this Guardian of the Universe's attack or special power, place a black Battery Marker on each Black Lantern card you control, if possible.
