

## HIPPOLYTA

### AMAZON WAR TACTICS

After revealing a numbered Order Marker on this card, instead of taking a turn with Hippolyta, you may take a turn with any Unique Hero and any Common Squad you control that are either Amazons or Olympians. Hippolyta may be the chosen Unique Hero. Any figures taking a turn instead of Hippolyta must be within 6 clear sight spaces of her before moving. You may not take additional turns with any other figures you control.

### AMAZONIAN TRAINING

When Hippolyta rolls defense dice against a normal attack from a non-adjacent figure, one shield will block all damage. When rolling defense dice against any attack from an adjacent attacking figure, if there are excess shields rolled, the attacking figure receives one wound.

### MOTHER EARTH RITUAL

Once per game, immediately after Hippolyta receives enough wounds to be destroyed, you may remove an unrevealed Order Marker from any of your Army Cards. If you do, place Hippolyta on an empty space and remove Wound Markers from this card until Hippolyta has 1 Life remaining, or 2 Life remaining if that empty space is a rock or sand space.
