DEATH RAY SPECIAL ATTACK

Range Special. Attack 5.

Choose 4 spaces in a straight line from Human Robot. All figures on those spaces who are in line of sight are affected by this special attack. Roll 5 attack dice once for all affected figures. Affected figures roll defense dice separately. If a Unique Hero receives at least one wound from this special attack and has 2 or fewer Life remaining, you may destroy that Hero. This special attack may only be used once per game.

After placing Order Markers and before rolling for initiative, remove a Wound Marker from this card, even if Human Robot is destroyed. If the last Wound Marker is removed from this card while Human Robot is destroyed, place Human Robot adjacent to any figure you control. When Human Robot is destroyed, start the next round with exactly 4 Wound Markers on this card.
