

MARVEL

IRON LEGION DRONE

AUTONOMOUS COMBAT CIRCUIT

If a figure with the identity of Tony Stark is in your army, once per player turn, after revealing an Order Marker on a Unique Hero you control and before taking a turn with that figure, you may:

- Move with this Iron Legion Drone. If you do, that figure cannot move this turn.
- Attack with this Iron Legion Drone. If you do, that figure cannot attack this turn.

Only one figure you control may use this special power per player turn, or two if the Army Card you revealed an Order Marker on has the identity of Tony Stark.

IRON GRASP

Figures engaged with this Iron Legion Drone and at least one other Unique Hero you control cannot move.
