

MARVEL

JAMIE MADROX

X-FACTOR ACCOMPANIMENT

After revealing an Order Marker on the Army Card of a Unique Hero you control that is a Bruiser or Investigator and taking a turn with that Hero, you may move and attack with one Multiple Man figure you control, or up to two Multiple Man figures you control if all of your Order Markers are on Bruiser or Investigator cards. All Multiple Man figures must be within 6 clear sight spaces of that Hero before moving. You may not take any additional turns with other figures you control.

DUPES 14

When Jamie Madrox receives one or more wounds from a normal or special attack, you may roll the 20-sided die before placing Wound Markers. If you roll 14 or higher, ignore any wounds Jamie Madrox just received and, if possible, place one of your previously destroyed Multiple Man figures adjacent to Jamie Madrox.
