**JOLT**

HELEN TAKAHAMA

**TAKEN IN**

If you control at least two other Charlatans, Jolt has the class of Charlatan in addition to what is listed on this card.

**THUNDERBOLT INSPIRATION**

If there is a revealed Order Marker on this card, other figures you control that share a class with Jolt add 1 to their Move numbers and, if they have a Repentant personality, 1 to the result whenever they roll the 20-sided die.

**HYPERKINETIC BLITZ 14**

Jolt can move through all figures and is never attacked when leaving an engagement. After moving Jolt on your turn, you may choose one figure she moved through, or two figures she moved through if it is Jolt's turn. Roll the 20-sided die, one at a time, for each chosen figure. If you roll 14 or higher, that figure receives a wound.
