

## LEPRECHAUN

### LUCK OF THE IRISH

While all of your Order Markers are on Slasher or Tormentor cards in your army, including at least one on this card, you may add or subtract 2 from any 20-sided die rolled for:

- initiative;
- a destroyed figure in your army; or
- a figure within 6 spaces of Leprechaun.

### TERRORIZING TRICKS

After Leprechaun, or a figure within 2 spaces of Leprechaun, rolls at least 2 attack or defense dice, if all dice show the same symbol face up, immediately inflict a wound on either the attacking or defending figure.
