

# LIVEWIRE

AMANDA MCKEE

### UNITY STRIKES

After revealing a numbered Order Marker on this card or the card of a Unique Hero you control within 10 spaces of Livewire and taking a turn with that Hero, you may either:

- attack with a different Unique Hero you control that has moved but not attacked this turn; or
- reveal an "X" Order Marker on the Army Card of a Unique Hero you control to move any figure you control within 4 spaces of that Hero up to 4 spaces. That figure will not take any leaving engagement attacks.

You may not take any additional turns with other figures you control after using this special power.

### TECHNOPATHIC CONTROL

#### SPECIAL ATTACK

Range Special. Attack 5.

Choose Livewire or a figure within 10 spaces of Livewire that is an Android, a Cyborg or has an X-O Marker on its card. Attack any figure within X clear sight spaces of the chosen figure, where X is the Range number of the chosen figure.

### ELECTROSTATIC INTERFERENCE 3

When Livewire defends against an attack from a non-adjacent figure, roll 3 additional defense dice. If the attacking figure is an Android or Cyborg, all blanks rolled count as additional shields.
