

MADAME XANADU
NIMUE INWUDU

TAROT DECK

At the start of the game put all Spells of Tarot that you drafted into a face-down Tarot Deck and shuffle that deck. Before placing Order Markers for the round, even after Madame Xanadu is destroyed, you may draw the top Spell Card from the Tarot Deck and have a figure you control with the Magical Defense special power cast it.

A NEW READING

Madame Xanadu may cast Spells of Tarot as if she had the Magical Defense special power. After casting a Spell of Tarot, instead of removing it from the game, you may place it in a Discard Deck. Once per game, at the end of the round, you may place any cards from the Discard Deck back into the Tarot Deck and then shuffle the Tarot Deck.

MYSTICAL ADVISOR

At the start of your player turn, you may move any number of unrevealed Order Markers from this card to any other Army Cards in your army. You may only use this special power if you cast a Spell of Tarot this round.
