

MURMUR

MICHAEL CHRISTIAN AMAR

SURGICAL STRIKE

If Murmur inflicts at least one wound on an adjacent figure with his normal attack, the defending figure receives one additional wound.

SPREAD THE PAIN

Once per turn, after attacking an adjacent figure with a normal attack, you may place a Wound Marker on this card and attack an adjacent figure with a normal attack one additional time.

BLOODBORNE VIRUS 15

When Murmur receives one or more wounds, even if he is destroyed, you must immediately roll the 20-sided die once for each adjacent figure. If you roll 15 or higher, that figure receives one wound. Androids, destructible objects, and figures with the Environmental Suit special power are not affected by this special power.
