

NOOB SAIBOT

BI-HAN

BLACKHOLE TELEPORTATION

Instead of moving Noob normally, you may choose a figure within 5 clear sight spaces of Noob and either:

- place Noob adjacent to that figure; or
- place that figure adjacent to Noob.

Figures moved by Blackhole Teleportation do not take any leaving engagement attacks.

GHOSTBALL

Instead of attacking with Noob, you may choose a Common or Unique figure within 5 clear sight spaces of Noob. All of that figure's special powers are negated for the remainder of this player turn.

SHADOW SUMMONS

After taking a turn with Noob, if the Shadow Wraith is in your army you may place him on any empty space adjacent to Noob and take an immediate turn with him.
