PARADEMON

APOKOLIPTIAN WEAPONRY
When rolling attack dice, if Parademon rolls a skull on every die, the defending figure immediately receives one unblockable hit before rolling defense dice.

DEADLY SWIPE
If Parademon rolls a skull against a figure leaving an engagement with him, that figure receives an additional wound.

MOTHER BOX BANDOLIER
When Parademon would receive any number of wounds from an opponent's attack, instead of placing those wounds, you may immediately use Mother Box Bandolier. Roll 3 unblockable attack dice against each figure within 3 clear sight spaces of Parademon, one at a time. After using Mother Box Bandolier, destroy Parademon.
