

PERRY WHITE

FRONT PAGE HEROISM

Once per game before rolling for initiative, if you control at least one Kryptonian Champion, you may choose to add 5 to your initiative roll for each Journalist you control. If you do, you may then choose an opponent's figure engaged with a Journalist you control. You may immediately remove a random Order Marker from that figure's card.

"GREAT CAESAR'S GHOST!"

At the end of any player's turn, if a figure you control received one or more wounds, you may move a Journalist Hero you control that did not receive those wounds up to 4 spaces. A figure moved this way will not take any leaving engagement attacks.
