

## POSITRON

RAYMOND KEYES

**FREEDOM PHALANX**  
After revealing an Order Marker on the card of another figure that has this special power and taking that figure's turn, you may take a turn with Positron, during which he cannot move normally. You may not take any additional turns.

**LINGERING RADIATION**  
When a figure receives one or more wounds from Positron, roll the 20-sided die, adding 10 to the roll if Positron is adjacent to the chosen figure. If you roll 11 or higher, the defending figure receives one additional wound. Figures with the Environmental Suit special power are not affected by this special power.

**NEUTRON BOMB SPECIAL ATTACK**  
Range 5. Attack 5.  
Choose a figure to attack. Any figures adjacent to the chosen figure are also affected by the Neutron Bomb Special Attack. Roll attack dice once for all affected figures. Positron cannot be affected by his own Neutron Bomb Special Attack. Figures with the Environmental Suit special power are not affected by this special attack. This special attack can only be used once per round.
