

PREDATOR

YAUTJA CLOAKING DEVICE

This Predator may move through all figures and is never attacked when leaving an engagement. While occupying a non-water space, this Predator cannot be targeted by opponents' non-adjacent figures for any attacks or any special powers that require clear sight.

BIO-MASK TARGETING

When this Predator attacks a figure on a Shadow Tile or adjacent to a Jungle Piece, the defending figure does not receive any additional defense dice for the Shadow Tile or Jungle Piece. If this Predator did not move this turn and attacks a non-adjacent figure, add 1 automatic skull to whatever is rolled.

SELF-DESTRUCT WRIST GAUNTLET

After rolling initiative, you may reveal an "X" Order Marker on this card. If there is a revealed "X" Order Marker on this card when you reveal your Order Marker 3, before taking your turn, each figure within 3 spaces of this Predator receives 2 automatic wounds and then this Predator is destroyed.
