PROXIMA MIDNIGHT

THE BLACK ORDER

After revealing an Order Marker on the card of Thanos or a Unique Destroyer in your army and before taking any turns or using any other special powers, if there are no unrevealed Order Markers on that card, you may take a turn with Proxima Midnight. You may not take any additional turns with other figures.

STELLAR SPEAR SPECIAL ATTACK

Range 5. Attack 3.

When attacking with this special attack, all shields rolled count as additional skulls and opponents' figures may not use any special power to ignore this special attack. After attacking, if the defending figure rolled fewer shields than you rolled skulls and shields, you may choose one of the following:

- For the duration of your player turn, the defending figure rolls 2 fewer defense dice and may not move;
- The defending figure receives one unblockable wound.
