

RAGMAN
RORY REGAN

RAG SUIT OF SOULS

When an opponent's figure within 6 clear sight spaces of Ragman is destroyed by a figure you control with a normal or special attack, you may place the destroyed figure on this card if it is not an Android, Undead or destructible object. A maximum of 5 figures may be on this card at any time. After attacking with Ragman, you may remove a destroyed figure from this card to attack 1 additional time.

YOUR DEBT IS PAID

If Ragman is attacked by an opponent's figure that does not have the Magical Defense special power and there is at least one figure on this card, the most wounds Ragman can take for this attack is one. If the attacking figure has the Magical Defense special power and at least 1 skull is rolled, instead of rolling defense dice, you may remove one figure from this card and ignore the attack.
