

RAT SWARM

SWARM MOVEMENT

You may move up to 3 Rat Swarms that you control each turn. However, you may attack with only 1 Rat Swarm. You may attack with any Rat Swarm, even a Rat Swarm that you did not move this turn.

SCALE

When moving up or down levels of terrain, Rat Swarm may add 2 to its height.

PLAGUE 16

Before attacking, you must roll the 20-sided die once for each figure engaged to any Rat Swarm you control, one at a time. If you roll 16 or higher, that figure receives a wound. Androids, Rodents, and destructible objects are not affected by this special power.
