

SECRET
GRETA HAYES

OBSESSIVE JEALOUSY

At the start of the game, you may choose a Unique Human Sidekick that you control to be Secret's Obsession. If an opponent either inflicts a wound on or destroys Secret's Obsession with an attack, place Secret on an empty space adjacent to the attacking figure, if possible. Immediately after placing Secret this way, roll the 20-sided die once for each figure adjacent to Secret, other than her Obsession. If you roll 11 or higher, that figure receives a wound.

INTANGIBILITY

Secret can move through all figures, Fortress Walls, and obstacles, and is never attacked when leaving an engagement. Secret cannot be targeted by opponents' non-adjacent figures for any attacks or for any opponents' special powers that require clear sight.

IMPOSING PRESENCE

Opponent's figures engaged with Secret subtract 1 die from their normal Attack number and 1 die from their Defense number, to a minimum of 1 die each.
