

SHADOW THIEF

CARL SANDS

DIMENSIONETER

After taking a turn with Shadow Thief, if no opponent's figures were destroyed or received any wounds this turn, you may immediately place Shadow Thief on this card. Order Markers may still be placed and revealed on this card normally. When Shadow Thief uses Dimensioneter, he will not take any leaving engagement attacks.

SHADOW THEFT

Whenever you or an opponent reveals an Order Marker, if Shadow Thief is on this card and not destroyed, you may immediately place Shadow Thief on any empty space on the battlefield. After placing Shadow Thief on the battlefield, if Shadow Thief does not have an equipment glyph on this card, you may choose any adjacent Unique Hero that has an equipment glyph on its card and place that equipment glyph on this card.
